## Hosted Bar

We offer two options for hosted bars:

### Option 1:

**Wines, beers and liquors provided by Tessa's Office Wine Shop**

Our partnership with Tessa's Office Wine Boutique lets us offer an unmatched variety of wines, beers and liquors at every price point. Make your own selections or ask us for recommendations. If you choose this option, there is no corkage fee and our bartending fee is waived. You pay only for the beverages consumed.

This option also lets you offer your guests a selection of locally crafted beers from Grand Round Brew Pub.

### Option 2:

**Provide your own wines, beers and liquors and use our bartenders**

Shop for your event beverages at your preferred retailer. If you choose this option, corkage and bartending fees will apply. You are responsible for delivery of all beverages to the event venue and pickup of any unused items after the event.

We also provide glassware! – fees available upon request
